From: John A. Haila, Mayor

Subject: Appointments to Ames International Partner Cities Association,
Historic Preservation Commission, and Library Board of Trustees

Due to resignations and unfilled positions, there are vacancies on Ames International Partner Cities Association, Historic Preservation Commission, and Library Board of Trustees. Therefore, it is necessary to make appointments to fill these positions. After reviewing applications on file and consulting with staff, the following individuals were proposed for appointment:

- Charlotte Marqueste - Ames International Partner Cities Association
- James McCormick - Historic Preservation Commission
- Morganne Dennis - Library Board of Trustees

Therefore, I recommend that the City Council appoint Charlotte Marqueste, James McCormick, and Morganne Dennis to Ames International Partner Cities Association, Historic Preservation Commission, and Library Board of Trustees, respectively.
