### **COUNCIL ACTION FORM**

**SUBJECT:**            **2025 DEPARTMENT OF JUSTICE OFFICE OF JUSTICE PROGRAMS  
BULLETPROOF VEST PARTNERSHIP PROGRAM**

#### **BACKGROUND:**

The Police Department is again requesting permission to apply for funding from the Department of Justice, Office of Justice Programs, Bulletproof Vest Partnership (BVP) program, and to participate in the program should funds be awarded. This program provides funds to local law enforcement agencies to support the purchase of new and replacement bulletproof vests for individual officers. This protective device is critical to the safety of police officers.

Bulletproof vests have an approximate five-year life cycle. The Police Department has a rotating schedule for replacement of vests for current officers. In addition, as new officers are added to the department, new vests tailored to the individual officer must be purchased.

During 2025/26 fiscal year, the schedule calls for the acquisition or replacement of 12 vests. The Police Department has participated in this grant for many years to help supplement the costs of the vests.

The estimated cost for these vests is \$10,680. The grant requires that local agencies must provide 50% of the cost. To the extent that federal funds are available, the BVP program will provide the other 50%. **The FY 2025/26 Police budget was constructed with the expectation that a Bulletproof Vest Partnership grant would be applied for and received, so the Police Department's 50% share has already been budgeted as a commodities expense.**

#### **ALTERNATIVES:**

1. Approve the Police Department's application to and participation in the Department of Justice Office of Justice Programs Bulletproof Vest Partnership program.
2. Do not approve the Police Department's application to and participation in the Department of Justice Office of Justice Programs Bulletproof Vest Partnership program.

#### **CITY MANAGER'S RECOMMENDED ACTION:**

**Bulletproof vests are an indispensable piece of safety equipment for police officers. Historically the Police Department has successfully participated in this program with the U.S. Department of Justice to provide protection to our local officers. Participation in this program allows the City to provide the best product to our officers with half the cost paid by the Department of Justice. Therefore, it is the recommendation of the City Manager that the City Council adopt Alternative No. 1, as described above.**
