Department of Planning & Housing

**TO:** Planning & Zoning Commission  
**FROM:** Steve Osguthorpe, Planning & Housing Director  
**DATE:** October 29, 2010  
**SUBJECT:** Update on City Council Priorities

At its meeting of August 16, 2010, the City Council unanimously approved the following priorities for FY 2010/11. I will discuss these with you in more detail so that you are clear on what these projects will entail:

- Request from Dave Norris to amend Fringe Plan
- LUPP Evaluation (Planning Base)
- Begin National Register Nomination for Downtown
- Begin Chapter 31 Revision Process
- Review Plat of Survey Provisions
- Code Clean Up
- Define a Process for Amending Land Use Policy Plan
- Continued work of Urban Fringe issues - Complete 28E Agreement with Story County and work with Boone County on Fringe Issues
- Provide a report to Council on feasibility of requiring that a master plan be reviewed by the City Council prior to submittal of a preliminary plat
- Provide a report on what the process would entail to develop standards for an airport overlay zone
- Conclude decisions on growth strategies
